

SPORNTM

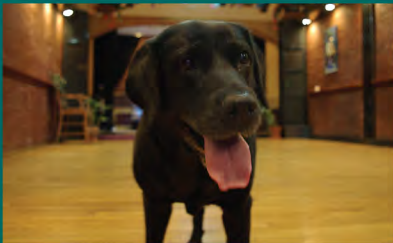

"Giving dogs what they need
is arguably the love of my life."

Joseph F. Sporn

INVENTOR
Day Care for Dogs

ABOUT SPORN®

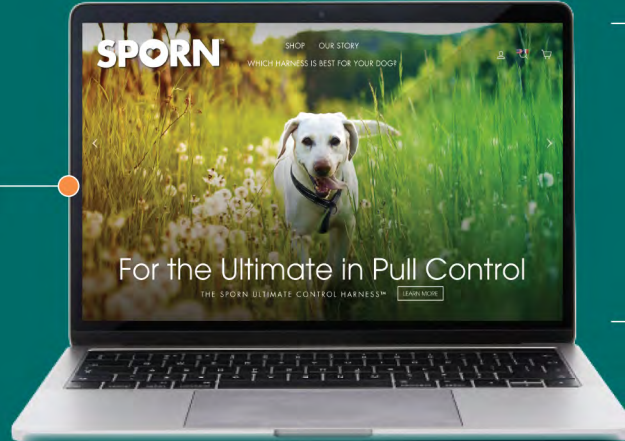

Joseph S. Sporn's innovative work in the pet industry has had a significant impact on society and culture. With the founding of Yuppie Puppy Day Care for Dogs in 1986, Sporn revolutionized the way dogs are cared for, providing a safe and engaging "pack" environment for them. He inspired a new wave of entrepreneurs to create beneficial and humane services and products for pets and their owners. Today, the doggie day care industry is a multi-billion dollar industry, promoting more personalized and individualized pet care services and encouraging greater responsibility among pet owners worldwide.

The Sporn Company has gone on to become the world's No. 1 manufacturer of dog-training and dog-control products, including the first harnesses ever recommended by the ASPCA. After designing and marketing the patented Sporn Halter and Sporn Mesh Harness, Sporn has helped more than 20 million dog owners around the world gain control over even their most rambunctious of canine companions.

CHILD CO-WALK!™

Training Leash

Growing together safely, one step at a time!

Helping children take their first steps with confidence. Introducing the Child Co-Walk Training Leash. Designed with safety and comfort in mind, our leash allows parents and caregivers to assist their little ones as they explore the world around them. The Child Co-Walk Training Leash is the perfect solution for parents or caregivers who want to support their child's development while keeping them safe.

How it Works:

For Solo Walking

The adult can use the primary handle for traditional leash control.

Walking with a Child

The child can use their handle to assist in holding the leash, while the adult uses their handle to maintain control and ensure the safety of both the child and the dog.

SPORN™

NON-FRICTION LEASH™

ELIMINATES "ROPE BURN"

The Sporn Non-Friction Leash™ works in harmony with any pull control harness. It helps to provide comfort to the dog owner by absorbing stress caused by sudden pulling or lunging. This patented leash has an elasticized outer sheath that stretches and moves with your grip, eliminating "rope burn" type friction against your hand. The inner cord is a solid rope, so the actual leash doesn't stretch out like a bungee leash; It provides tight control when necessary.

- 🐾 **Elastic leash covering a solid rope core**
- 🐾 **Ergonomic comfort grip handle**
- 🐾 **4 ft. length**
